

PARENT / CARER CONSENT FORM

At Friends for Leisure we take the issue of child safety very seriously, and this includes the use of images of children. We occasionally include images of children in publications and on our website, but we have a duty of care which means that children must remain unidentifiable, reducing the risk of inappropriate contact, if images are used in this way.

We ask that parents/carers consent to the charity taking and using photographs and images of their children. Any use of images by Friends for Leisure is underpinned by our Safeguarding policy. We will never include the full name of a child alongside an image.

Please complete, sign and return this form to the Friends for Leisure office.

I consent to photographs and digital images of the child named below, appearing in Friends for Leisure printed publications or websites. I understand that the images will be used only for charity purposes and that the identity of my child will be protected. I also acknowledge that the images may also be used in and distributed using other media, such as CD-ROM.
